## VISITOR RESTRICTION

The hospital is restricting visitors to prevent the spread of the novel coronavirus (COVID-19).

Only those who are asked by the hospital to come for patient support (eg. bringing clothes for the patient and the like) are allowed to visit.

Also, please observe the following when you visit:

- Limit yourself to 1-2 persons at a time and make your visit short.
- Children under aged 15 are not allowed to visit.
- Refrain from visiting if you have a fever of 37 °C or higher, cold symptoms or digestive symptoms such as diarrhea, vomiting, etc.
- Make sure to wear a mask, use a tissue when you cough or sneeze and maintain proper hand hygiene like washing your hands often.

**If you have a special reason to visit, please consult a hospital staff.**

We thank you for your understanding.
